EPSON[®]
EXCEED YOUR VISION

Epson MovieMate[®] 60

PORTABLE PROJECTOR, DVD AND MUSIC PLAYER COMBO

The instant home cinema for big-screen entertainment that goes where you go.

The ultimate portable projector, DVD and music player combo, Epson MovieMate 60 delivers all the big-screen drama, sound and excitement you desire — just plug, load and play. Get larger-than-life entertainment with this portable, combo product that includes a built-in progressive scan DVD/CD player and dual Dolby[®] 5.1 Digital DTS[®] 10 W stereo speakers. MovieMate 60 works with any blank wall or screen and projects DVD movies up to eight times larger than they would appear on a 40" widescreen TV. In fact, it displays an 80" widescreen image from just 7.8 feet away, or a 120" image from just 11.8 feet away.

Larger-than-life entertainment — Enjoy widescreen images up to eight times larger than on a 40" widescreen TV

Super bright, even in well-lit rooms — 2000 lumens color light output, 2000 lumens white light output*

Epson MovieMate® 60 PROJECTOR, DVD AND MUSIC PLAYER COMBO

The best-selling projectors in the world.

Epson offers a wide range of high-quality projectors to meet almost any need. Built with image quality and reliability in mind, Epson high-definition projectors take home theater entertainment to a whole new level, featuring color and detail that's sure to win rave reviews from friends and family alike. With the vivid realism of Epson 3LCD technology, these projectors will make your home the hottest ticket in town.

3LCD technology — for quality and color that's beyond amazing

Innovative technology with proven reliability

- 3 chips for full-time, vibrant color
- 25% less electricity required per lumen of brightness when compared to 1-chip DLP projectors**
- Road-tested reliability from a company with over 20 years of experience

▲ 3LCD, 3-chip technology

Amazing light output

- 2000 lumens color light output and 2000 lumens white light output*
- Amazing light output and performance to meet your expectations
- High color light output for bright, balanced, colorful images
- White light output that's measured using ISO 21118 (a more rigid standard than the outdated ANSI lumens rating used by competitive products)

High color light output

Low color light output

Actual photographs of images taken from two competing projectors run in default mode. Price, resolution and brightness (white light output) are the same for both projectors.

Energy-efficient E-TORL® lamp, exclusively from Epson

- Delivers more lumens per watt and lasts up to 5000 hours***
- Minimizes both light diffraction and light leakage
- E-TORL lamps maximize your presentation time, while minimizing your costs

▲ E-TORL lamp

▲ Portable projector with DVD player

Eco features

- Energy-efficient 3LCD light engine
- Energy-efficient E-TORL lamp
- Designed to be recycled****
- RoHS compliant
